THE ULTIMATE TOUCH EXPERIENCE

The LG Touch 10 ET83 Multi-touch Monitor is an intuitively operated and highly responsive 23" class touch-screen monitor optimized for Windows 8. A solution suitable for either home or office, LG's Multi-touch monitor is a capacitive-type touch screen that offers reliable, accurate touch-sensing for improved control and excellent image clarity. And, with an IPS panel, LED backlighting and Full HD resolution, you get amazing picture quality and color accuracy.

10 POINT TOUCHSCREEN

10 Point TOUCH

Wider than ever, UltraWide 21:9 makes movies and games more immersive than ever. Trying to get some work done? The UltraWide screen makes it easy to view multiple documents at the same time, so you don't need to flip back and forth between documents.

WINDOWS 8 COMPATIBLE

Windows 8 Compatible

Compatible with Windows 8 10-point touch technology, the LG IPS Touch 10 Monitor delivers a new level of viewing pleasure and entertainment on various Windows 8 applications.

IPS DISPLAY

IPS Lifelike Color Expression

Featuring the latest IPS technology on a large screen, LG Touch10 monitor introduces your kids and the whole family to all the fun and benefits of immersive touch interaction.
